Good morning,

Curt Larrick came in several weeks ago regarding paperwork to remove his wife from insurance stating that he had given this to Phyllis Strauss last year, however, there are no documents filled out and signed with a copy of the final divorce.

Curt was to bring the paperwork to Payroll the week of Sept. 10, however, he has not given us the paperwork and has been reminded him several times.

As instructed by Vince, we are requesting this paperwork be provided since we cannot take her off without the necessary documents.

Can you please inform Curt to provide us with this information.

Thanks

Her claims will be reversed and , we 'll take money from Providers, that were paid..

After this, they'll start billing her directly and she 'll be responsible for this amount..
